

FIELD TRIPS & “SHIELD THE VULNERABLE”

FIELD TRIPS

I am currently working on the field trips for this school year. When the dates and events are confirmed I will send home a parent letter that gives you all the necessary information. If you are interested in chaperoning on one of the field trips, you must fill out and send in the volunteer and drivers forms when they are sent home in the Family Envelope. I can only allow the drivers with complete forms on the field trip.

In addition to the completed school forms you must have completed the online child safety course and have a certificate on file in the office. The course can be found on www.shieldthevulnerable.org. Once you have completed the online course, please print out the certificate of completion and turn it in to me so that I can keep it on file.
